

HIIN Data Submission Expectations

<i>LEGEND:</i>	*Manual data entry by hospital - if data use not granted
	contact to ensure IDS report submission is complete to IHA.
	NHSN data pull to CDS by HRET

January	
1/14	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 1/15	All manual harms data entry due to CDS through October
1/31	Manual readmissions data entry due to CDS through September
February	
2/14	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 2/15	All manual harms data entry due to CDS through November
2/28	Manual readmissions data entry due to CDS through October
March	
3/1	*4th Quarter (October - December) IDS data due to IHA
3/14	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 3/15	All manual harms data entry due to CDS through December
3/15	Manual readmissions data entry due to CDS through November
3/15	**4th Quarter (October-December) IDS to CDS data upload
3/30	NHSN data pull to CDS by HRET
April	
4/14	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 4/15	All manual harms data entry due to CDS through January
4/27	Manual readmissions data entry due to CDS through December
May	
5/14	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 5/15	All manual harms data entry due to CDS through February
5/31	Manual readmissions data entry due to CDS through January
June	
6/1	*1st Quarter (January - March) IDS data due to IHA
6/12	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 6/13	All manual harms data entry due to CDS through March
6/13	Manual readmissions data entry due to CDS through February
6/13	**1st Quarter (January-March) IDS to CDS data upload
6/29	NHSN data pull to CDS by HRET
July	
7/12	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 7/13	All manual harms data entry due to CDS through April
7/31	Manual readmissions data entry due to CDS through March
August	
8/14	NHSN data pull to CDS by HRET

HIIN Data Submission Expectations

Goal: All manual data entry to CDS by 8/15	All manual harms data entry due to CDS through May
	Manual readmissions data entry due to CDS through April
8/31	NHSN data pull to CDS by HRET
September	
9/1	*2nd Quarter (April - June) IDS data due to IHA
9/13	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 9/14	All manual harms data entry due to CDS through June
	Manual readmissions data entry due to CDS through May
9/14	**2nd Quarter (April - June) IDS to CDS data upload
9/28	NHSN data pull to CDS by HRET
October	
10/12	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 10/15	All manual harms data entry due to CDS through July
	Manual readmissions data entry due to CDS through June
10/31	NHSN data pull to CDS by HRET
November	
11/14	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 11/15	All manual harms data entry due to CDS through August
	Manual readmissions data entry due to CDS through July
11/30	NHSN data pull to CDS by HRET
December	
12/1	*3rd Quarter (July - Sept.) IDS data due to IHA
12/13	NHSN data pull to CDS by HRET
Goal: All manual data entry to CDS by 12/14	All manual harms data entry due to CDS through September
	Manual readmissions data entry due to CDS through August
12/14	**3rd Quarter (July - September) IDS to CDS data upload
12/28	NHSN data pull to CDS by HRET

Any IHA-generated HIIN reports will pull from data entered into CDS through the 15th of the month.

If you submit IDS data monthly, we will continue to refresh data every month.

Please note that IDS data will not appear until 15 business days after submission.
