

GET UP

Webinar Series

GET UP focuses on mobilizing patients to return to function more quickly. Keeping a patient mobile is key to helping them avoid various types of harm. Maintaining a continued emphasis on mobility can assist in the prevention of several harm events, including CAUTI, delirium, falls, HAPU/I, readmissions, VAE and VTE.

GET UP: Improving Mobility in Indiana webinar details are below. The dial in number and participant link are applicable to all four GET UP webinar dates.

- **Webinar Dates:**

- October 10 at 3 p.m. ET
- October 31 at 3 p.m. ET
- November 14 at 3 p.m. ET
- December 12 at 3 p.m. ET

- **Dial in number:** (888) 645-4404

- **Participant link:**

The goal of the UP campaign is to simplify safe care and streamline cross-cutting interventions to reduce the risk for multiple patient harms. IHA will be focusing on each component of the campaign throughout the year.

- SOAP UP - 3rd quarter 2017
- GET UP - 4th quarter 2017
- WAKE UP - 1st quarter 2018
