Advanced Claims Capture

Take Referral Capture a Step Further

We've teamed up with **AuthorityRx(ARx)** to offer our Advanced Claims Capture service which can significantly increase 340B savings through enhanced referral claims capture and by uncovering and resolving those fallout claims that can be subsequently confirmed as 340B eligible.

Focused on Compliance

Advanced Claims Capture is designed with compliance in the forefront. As part of an annual independent audit, we review your program and work to appropriately capture additional savings in compliance with your 340B program.

Reviews & Appropriately Resolves Claims from Fallout Report

Advanced Claims Capture can increase savings by uncovering and resolving fallout claims.

Speedy Implementation Time

Realize additional savings potential with a quick implementation and no need for additional software.

Service Organization Control (SOC) 2 Certification

SUNRx and ARx are SOC 2 certified. The SOC 2 (Type 1 and 2) audit is a rigorous process to ensure high data security levels. Patient and switch data entrusted to ARx is housed in a secure environment with high data processing standards.

No-cost Annual 340B Audit

Stay compliant, save time, money and resources by utilizing our no-cost annual 340B audit.

Experience and Expertise

We keep you up to date with customized program recommendations to your policies and procedures which may eliminate the need for extra operational resources.
