# Flat File Notes:

- Flat files (2021-1Q2024) are available for order.
- Out of state data may be included.
- Orders may be submitted at IHA's [Online Ordering Form](#)
- Please route all consultancy data requests (Sg2, HSG, etc.) through this form

The screenshot shows the 'INHDS Hospital Claims Data Request Form' from the Indiana Hospital Association. The form is titled 'INHDS Hospital Claims Data Request Form' and includes a sub-header: 'As part of membership within the Indiana Hospital Association, members are eligible to purchase flat-file data for internal use. Please fill out the information below to submit your claims data request and a member of the IHA Business Intelligence team will follow-up. As a reminder, there is a per-record fee for all data requests.'

The form contains four required fields, each with a text input box and a 'Required' asterisk:

1. Requestor's Full Name: \*  
Enter your answer
2. Requestor's Email Address: \*  
Enter your answer
3. Requestor's Organization's Name: (If requesting for multiple facilities, please list CCN's for each facility) \*  
Enter your answer
4. Select the start date for your INHDS data request: \*  
Please input date (M/d/yyyy)

# Q12024 Known Issues:

- Franciscan Crown Point: Q12024 submission affected by opening of new facility and lagging claims.
