

# 2024 ANNUAL MEETING

## ABOUT THE EVENT: NOVEMBER 12-14, 2024, AT THE WESTIN INDIANAPOLIS

The IHA Annual Meeting attracts 250-300 health care executives from hospitals throughout Indiana. IHA's signature event consistently attracts a world-class lineup of keynote speakers and industry experts to supplement the thought-provoking conversations among the state's top healthcare decision-makers. The two-day event features a prominent awards ceremony and multiple networking opportunities to help foster important relationship building and information sharing. This is a member-only event except for a limited number of corporate sponsors. While the event does not feature an exhibit hall, sponsors who attend are treated as full event participants to allow for organic networking and interactions. Please contact Adam Scott at [ascott@ihaconnect.org](mailto:ascott@ihaconnect.org) for more information.
